PRIME ICT Managed Print Solutions

Reliable. Secure. Sustainable.

Take control of your print environment with our fully managed print solutions, designed to cut costs, boost efficiency, and reduce waste.

Why Choose PRIME ICT Managed Print Solutions?

Lower Printing Costs
Pay only for what you use with transparent monthly plans.

Fully Managed Service
Installation, training, maintenance, and toner supply included.

Security First
Protect sensitive documents with enterprise-grade security features.

Environmentally Friendly
Reduce paper waste and energy consumption.

Scalable Plans
From small offices to large enterprises.

24/7 Support
Expert technicians available for remote and onsite assistance.

Our Print Solutions Offering

Managed Print Services (MPS)

End-to-end monitoring, reporting, and management of your printing needs—minimising downtime and waste.

Multifunction Devices (MFDs)

All-in-one printers, copiers, and scanners tailored to your business, available in A3/A4, mono, or colour.

Secure Printing

Features like PIN release, card authentication, and document tracking to safeguard confidential data.

Automated Supplies Replenishment

Toner and consumables delivered before you run out—keeping your business moving.

Service & Maintenance

All parts, labour, and support are included—no surprise costs.

Print Analytics & Reporting

Gain visibility into print usage, track costs, and set print policies to reduce waste.

Speed & Performance Optimisation

Fast-loading pages and optimised code for better SEO and user retention.
